

ASSISTIVE TECHNOLOGY AWARENESS DAY

SENSORY STORYTELLING SESSION

Come join us for a special storytelling session that will engage all the different senses. We will be demonstrating how children with disabilities use assistive technology to participate in storytelling!

Timing: 11.30am – 12.30pm

Recommended Age: 4+

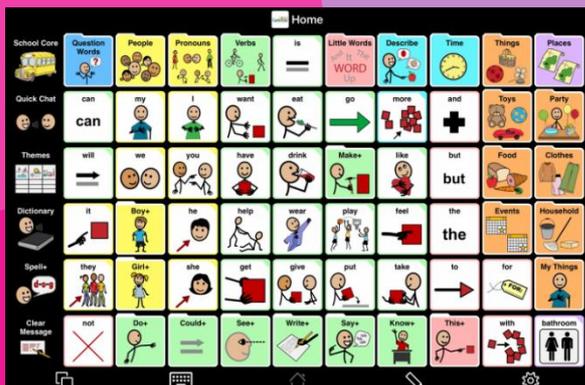

ASSISTIVE TECHNOLOGY EXHIBITION

Come check out an interactive exhibition where we showcase assistive technologies that help to bridge the gap between ability and disability.

Timing: 11am – 1pm

Recommended Age: All ages are welcome!
